

CELEBRATING THE **CLASS OF 2020**

Message from the Dean

Congratulations for all that you have achieved in becoming a graduate of Melbourne Business School.

Most of you have completed Australia's best and most challenging MBA, Analytics and Marketing programs under very difficult circumstances in 2020 because of the COVID-19 pandemic, and you have all forged new friendships and connections over the course of your studies that will remain with you for the rest of your life and career.

The sacrifices you made to achieve this success will now be rewarded through the exciting opportunities you have opened for yourselves.

You are graduating at a time of unprecedented global change but are as well prepared as anyone could be to meet the challenges that lie ahead.

The knowledge, tools and experiences you have gained by studying together at Melbourne Business School will help you thrive in the face of tremendous uncertainty but great opportunity.

You are now more aware, open minded and confident in your ability to work with a wide range of people and opinions to identify and solve difficult problems. These are traits that the world needs more than ever.

You have proved that you are capable of fresh thinking, based on solid foundations and sensitivity to other points of view, and I know you will continue to achieve great success for yourselves, the people around you and the communities in which you will work.

I couldn't be more proud that Melbourne Business School has helped you prepare for the road ahead, and I sincerely hope that you will stay in touch with everyone here who has supported you and wishes you all the best for the future.

On behalf of everyone at Melbourne Business School, congratulations again for proving why we say we are Australia's best business school. It's because of people like you, who are determined to succeed and contribute to making a better world.

Now do yourselves proud and enjoy every minute of the success you have earned and deserve.

It has been a privilege teaching many of you and it gives me great pleasure to congratulate each and every one of you warmly on successfully graduating from our MBA program. On behalf of the MBS community, I wish you the very best for the future and hope that your quest for being a lifelong learner continues for many more years to come.
